100 POINTS THE WINE PALATE

"The full-bodied palate is both generous and energetic, displaying an impressive array of savory and earthy nuances among the dense black fruit layers and a rock-solid frame of grainy tannins and beautiful tension, finishing with epic length." - Lisa Perrotti-Brown

#10 TOP 100 WINES OF THE USA 2026 | "Black currant, pencil shaving, subtle sandalwood, wet earth, forest floor and violet aromas... A polished and caressing texture that goes on for minutes. The balance and drinkability of this Dominus is terrific, and it will age beautifully... From organically grown grapes. Very drinkable now, but will age beautifully." - James Suckling

98 POINTS Robert Parker

"Medium- to full-bodied, this rich, almost creamy blend of 87% Cabernet Sauvignon, 9% Cabernet Franc and 4% Petit Verdot finishes with velvety tannins borne on a finish that unfolds to reveal incredible persistence and complexity." - Joe Czerwinski

97 POINTS Wine Spectator

"Though reserved in persona, this offers a deep well of red and black currant preserves laced with tobacco, loam, warm paving stone and savory notes that lend energy and cut. A singed alder frame guides the finish, which shows the succulence of the vintage despite being buried deeply. There's no bombast at all -- the rare Napa Cabernet that seems intent on discretion -- but this expands easily in the glass while gulping air. Patience will be rewarded. Cabernet Sauvignon, Cabernet Franc and Petit Verdot. Best from 2030 through 2048." - James Molesworth
