UNFILTERED SAUVIGNON BLANC 2008

“A fresh, green nose of grass, herbs and asparagus leads on this mouthfilling white. Flavors of citrus, tropical fruit and melon are punctuated by earthy spice and herbs. A lengthy aftertaste adds to the appeal. An interesting, distinctive Sauvignon Blanc.”

UNFILTERED SAUVIGNON BLANC 2007

“... offers scents of honeydew melon, celery, and just a hint of passion fruit. As juicy, generous, and ‘cooling’ in fruit character as its aromas suggest, this tank-rendered Sauvignon finishes with succulence and refreshment.”
