a James Suckling Top Scoring Red from Tuscany

“Rich, round and full-bodied, with plum, berry and dark chocolate character, soft tannins and a long finish. Juicy.

Outstanding value.”

“Gorgeous aromatics waft from the glass as the 2006 Chianti Classico Querciabella... opens to reveal a super-elegant expression of fresh berries, flowers and tobacco... In recent years Quericabella’s Chianti Classico has established a new benchmark for finessed Chianti made in a contemporary style that nevertheless remains faithful to Sangiovese and the unique qualities of these sites. Anticipated maturity: 2009-2021.”
