

RÉGNARD

RÉGNARD CHABLIS AND BURGUNDIES

Régnard, one of the oldest and most prestigious houses in Chablis, was founded by Zéphir Régnard in 1860. In 1984, Baron Patrick de Ladoucette purchased Régnard and has perpetuated the style and tradition of the wines.

The Baron's experience in modernizing the Ladoucette cellars in Pouilly-sur-Loire inspired him to make similar changes at Régnard, including thermo-controlled stainless steel fermentation tanks and sodium lamps in the aging sheds to prevent light damage.

KEY POINTS

1. The Chablis vineyards are sensitive to frost. Every year during the winter months, Régnard sprays them with water that freezes around the bud, preventing the bud itself from freezing.
2. Four different types of yeast are used for fermentation, each bringing a specific character to the wine. This enables Régnard to achieve great complexity in their wines.
3. Grand Régnard, the House's prestige *cuvée* from Chablis, is presented in a 17th century replica bottle and is made from a selection of Chablis' best vineyards.
4. Baron de Ladoucette has a close and long-term relationship with regional growers who are focused on select appellations from the Cotes de Beaune.
