

ALBERT PIC & FILS

Best known for its *Grand Cru* and *Premier Cru* wines, Albert Pic & Fils was founded in 1755 and is one of Chablis' oldest houses. In 1985 Baron Patrick de Ladoucette took control of the House and modernized the cellars: thermo-controlled steel fermentation tanks, sodium lamps in the aging sheds, to name a few. Perhaps its most exceptional wine is the *Pic 1er*, produced from selected old vines of Chablis' first growths, only in the best vintages. As a tribute to the winery's long history, *Pic 1er* is presented in a reproduction of an old Albert Pic bottle.

KEY POINTS

1. Albert Pic has ownership of vineyards in some of the finest *crus* in Chablis: Vaillon, Valmur, Montmain and Grenouilles.
2. The wines of Albert Pic are fermented in stainless steel, thermo-controlled tanks with no oak flavor or wood tannins, allowing the Chablis grape expression of its *terroir* without any external influence. A true Chablis does not need any additions.
3. The high quality of all Albert Pic wines is guaranteed by low temperature vinification, which stabilizes the wines, and perfectly controlled filtering.
4. Sodium lamps are used in the aging sheds to prevent the disagreeable taste produced by light. Most of the Pic wines are aged an average of 5 to 7 years in the bottle before release.
5. The aging potential of an Albert Pic wine is timeless, depending on the vintage and proper storing.

PRODUCT LIST

- Pic 1er
- Chablis 1er Cru Montmains
- Chablis 1er Cru Vaillons
- Chablis Grand Cru Valmur
- Chablis Grand Cru Grenouilles
