

Ets. Jean-Pierre Moueix

2006 CHÂTEAU LAFLEUR GAZIN

Lying between the two famous châteaux LAFLEUR and GAZIN, this estate has belonged to the current owner's family for the past three generations and has been farmed by the Etablissements Jean-Pierre Moueix since 1976. Due to the presence of a light sandy soil, approximately 20% of the vineyard is planted with Cabernet Franc (quite a high proportion for Pomerol). The remaining 80% is planted with merlot vines grown on the gravelly part of the property.
