

Fleur du Cap

2008 UNFILTERED CABERNET SAUVIGNON
CAPE COASTAL REGION

Made from superior grapes meticulously selected from prized vineyard blocks in the Cape Coastal region, Fleur du Cap Unfiltered wines are shaped in perfect harmony with nature. Handpicked in the vineyard and handcrafted in the cellar, these new generation wines capture the highly sought-after qualities of varietal character and terroir. Sedimentation, racking and fining as opposed to filtration maximize the preservation of color and flavor elements, resulting in wines that abound with fruit and flavor. Terroir Climate, soil, altitude and slope orientation are selected to capture as much varietal character as possible. Climate is mild with south-and east-facing slopes offering natural protection against late afternoon sun. Cooling breezes from both the Atlantic and Indian Oceans ensure rich, slow-growing crops. Soils are predominantly medium textured and well-drained with good water holding capacity.

Tasting Notes

This robust wine is dark ruby in color with aromas of blackcurrant, dark chocolate and mocha on the nose. This full-bodied wine has a good tannic backbone supported by cherry and plum flavors complemented by a spicy oakiness. This complex wine is the ideal accompaniment to fillet of beef and roast lamb but goes equally well with rich, robust dishes and strong-flavored cheeses.
