Overview

Founded in 1974, Querciabella enjoys the acclaim of the world's most discriminating critics and consumers for wines such as Camartina, Batàr, Palafreno and Querciabella Chianti Classico. In its uncompromising pursuit of quality, sustainability and authenticity, Querciabella has continually honed its approach to biodynamic viticulture for over a decade. With vineyards located throughout Tuscany's Chianti Classico and Maremma areas, Querciabella exemplifies the mindful preservation of tradition through forward-thinking, albeit completely natural, winemaking.

Batàr originates on vines that grow in the two soil types found on the hilltop of Ruffoli: argillaceous matrix and sandstone at approximately 350m, and marly schist and slate at approximately 600m. The vineyards from which Batàr is obtained have been cultivated organically since 1988, and in 2000 have undergone a full conversion to biodynamic techniques.

Vintage after vintage, Querciabella's forward-thinking winemaking has evolved beyond the hedonistic idea of succeeding at growing foreign white grapes, albeit noble, in a stronghold of red wines to focus on expressing a specific sense of place. Clearly, Batàr's inherent vitality and classic minerality derive from the high elevation vineyards of Ruffoli and the Galestro soil typical of Chianti Classico's best sites.

Winemaking

Grapes are harvested by hand in 9kg crates. Once alcoholic and malolactic fermentation are complete, Batàr continues to mature in the same barriques on its own yeast for nine months. Bâtonnage is carried out weekly. Fine and extra fine-grained French oak Burgundy barriques (228 liters) are used, 20% new.

Vineyards include Casaocci Sud and Il Pallonaio for Chardonnay; Vigna del Dottore, La Lama, Il Bosco, La Collina, Vigna Chiara and Vigna il Diavolo for Pinot Blanc.

Harvest Notes

Already labelled by many as "classic", 2018 is for sure one of the most harmonious vintages of the last decade due to regular weather patterns and a prolonged ripening season that lasted well into perfect Autumn days. From the onset of budburst, the growth season proceeded smoothly until picking. The near-perfect conditions at harvest and our great timing and precision in picking brought to the cellar grapes of exceptional quality.

Food Pairing

Enjoyable upon release, though it is recommended to wait four years after harvest for more complex notes to emerge. This wine continues to develop and evolve for over 20 years. The ideal serving temperature is 43° to 47°F.

TECHNICAL INFORMATION

Varietals: 50% Chardonnay, 50% Pinot Blanc
Wine Alcohol: 14%
Titratable Acidity: 5.13 g/L
pH: 3.42
