Maisons Marques & Domaines

CHÂTEAU DE PEZ

Château de Pez

Château de Pez

Saint-Estéphe, France
Vintage: 2014

Overview

Founded in the 15th century, Pez is the oldest domaine in Saint-Estèphe. The Pontac family, then-owners of Château Haut-Brion, gave Pez its vineyards. The property remained in the hands of descendants until the French Revolution. Sold as a property of the state, the domaine belonged to a succession of families until 1995, when it was purchased by Champagne Louis Roederer.

Château de Pez is one of the oldest properties in Bordeaux's Left Bank and consists of 104 continuous acres with 94 acres planted to prime grape varieties, mainly merlot and cabernet sauvignon. Thanks to the quality of its production, Château de Pez is counted among the most highly reputed crus of the Médoc and was reclassified as a Cru Bourgeois Exceptionnel in 2003.

Winemaking

Château de Pez remains resolutely faithful to wood. The blend is composed in December, and the wine is stored in barrels (40% new wood, 40% in "Premier vin" casks and 20% in "Deuxième vin" casks) and racked every three months. It is to be noted that the wine undergoes absolutely no filtration.

Tasting Notes

Complex nose of spice and red fruits. Long palate with smooth, elegant tannins and notes of black fruits and ripe, juicy strawberries.

Harvest Notes

The month of June saw ideal conditions for ripening although July and August were much more dreary. September, on the other hand, brought a glorious and endless Indian Summer. These weather conditions, much appreciated in Bordeaux, laid the foundations for this classic and highly promising vintage. The harvesting lasted 5 long weeks as we harvested each parcel at optimum ripeness. This vintage gave powerful, generous and very expressive Merlots, distinctive and elegant Cabernet Sauvignons and exceptionally complex Cabernet Francs and Petit Verdots. The wines are powerful, voluptuous, rich and well-balanced.

TECHNICAL INFORMATION

Varietals: 51% Merlot, 44% Cabernet Sauvignon, 3% Petit Verdot, 2% Cabernet Franc
Soil Composition: Gravel with clay and limestone
Average Vine Age: 25 years
