Marqués de Murrieta

Capellanía White Reserva

Rioja, Spain
Vintage: 2017

Overview

The Cebrián-Sagarriga family, who in 1983 acquired the winery, established in 1852, has a distinct winemaking philosophy that is founded in the pursuit of quality and excellence through tradition and innovation.

Capellanía is made solely from viura grapes from the winery's 14.8-acre Capellanía vineyard, originally planted in 1945 and located on a plateau at 485 meters, the highest altitude of the 741-acre Ygay Estate in Rioja Alta. A deep golden color, its complex aroma and rich taste are the hallmarks of this world famous white wine.

Capellanía comes out as the bridge between the complexity of past wines with extended oak aging periods, and the cleanliness, freshness and defining style of the current wines. In the search for less oak influence, Capellanía is the updated version of the historic white wines of Marqués de Murrieta which traditionally went through decades of oak aging.

Winemaking

After a manual harvest, grapes are carefully crushed and after a short skin contact they are gently pressed in a vertical press. This is a gentle and slow process that favors the extraction of all the aromatic potential from the low-yield viura grapes. The juice is then settled and fermented in a temperature-controlled stainless steel tank for 24 days.

Food Pairing

Duck mi-cuit, bitter orange marmalade and ginger or grilled foie gras with warmed red fruits. It is recommended to decant the wine 15 minutes before serving to let it breathe and show its full aromatic potential. Best served between 55° and 57°F.
