Overview

Merry Edwards Winery was founded in 1997 and produces terroir-driven, single-vineyard wines from 80 acres of estate vineyards in the Russian River Valley. The winery is known for crafting Pinot Noirs of immense depth, elegant structure and exceptional longevity as well as its aromatic, barrel-aged Russian River Valley Sauvignon Blanc, which is among the most sought after made in California. A single-vineyard Chardonnay and Late Harvest Sauvignon Blanc round out the portfolio.

When assembling our Russian River Valley blend, we have the great advantage of choosing from a diverse array of vineyard sites. Since our estate vineyards, from which we make our vineyard-designate wines, dot the Russian River appellation, we are able to choose lots that highlight the best characteristics of our valley. Grapes from the Santa Rosa Plain bring a classic cherry aroma and round mouthfeel. Sebastopol Hills vineyards provide enticing perfume and bright acidity. Laguna Ridge fruit contributes dark berries with rich tannins. We bring all of these elements together to produce a wine that showcases our world-class appellation.

Winemaking

Fully destemmed, berries are cold-soaked for five days. The 2022 vintage aged in 53% new French oak for 10 months, allowing the wine time to rest on the lees, gaining depth and mouthfeel. This regime has led to a Pinot Noir of great balance, foretelling of a long life ahead.

Clones: UCD 37, Dijon 115, 667, 777, and Pommard.

Tasting Notes

We first notice the beautiful garnet color followed by fragrances of vanilla cola, black raspberry, fresh thyme and plum compote. On entry, the mouthfeel is soft and lush, with notes of black cherry, plum, cassis and milk chocolate. Juicy acidity bonds with structured tannins and lifts the long, spicy finish.
