

Tracing its roots back to 1896, Domaines Ott wines represent the best of Provence: beauty, heritage, and unsurpassed character. Today, fourth-generation winemaker Jean-François Ott manages the three estates, totaling over 500 acres of vineyards, to produce wines of two appellations: Côtes de Provence and Bandol.

Gentle, sustainable, organic winegrowing and winemaking practices have always been utilized on the estates. In keeping with an ethos based on craftsmanship and a bespoke approach, the family uses biodynamic-inspired practices that go well beyond the requirements of the specifications in force—a nod to founder Marcel Ott’s enduring legacy.

CRU CLASSÉ

Château de Selle
Côtes de Provence
Rosé 2025

Château de Selle was the first estate acquired by Marcel Ott, in 1912. It is located in Taradeau, on the high limestone hills in the heart of the Var countryside. This very fine rosé, from the arid soils of the limestone hills, reveals all the mineral freshness of its terroir. It is an elegant rosé that strikes a subtle balance between texture and finesse with a very expressive fruit, chalky, mineral finish, set off by a subtle hint of white pepper.

Varietals: 57% Grenache, 32% Cinsault, 8% Mourvedre, 3% Syrah

2024 VINTAGE PRESS: JS 92, V 92

Clos Mireille
Côtes de Provence
Rosé 2025

In 1936, Marcel Ott fell in love with a very old property in La Londe Les Maures, not far from the Mediterranean coast, known as Clos Mireille. With its lovely, bright personality, the Clos Mireille Rosé is a reflection of its coastal terroir facing the Mediterranean Sea. The sea spray, the dry air in the hills and the abundant sunshine, combined with the limestone-free saline soil, create a wine with a unique and elegant character.

Varietals: 70% Grenache, 22% Cinsault, 8% Rolle

2024 VINTAGE PRESS: V 93, D 91

Château Romassan
Bandol Rosé 2025

Acquired by the Ott family in 1956, Château Romassan sits tucked away between the Sainte-Baume massif and the shores of the Mediterranean, in the commune of Le Castellet. Mourvèdre, the majority grape variety in this blend, comes into its own here like no place else, providing solidity, structure and excellent cellar-ageing potential. It is complemented by the deep vinosity of Grenache and the softness of Cinsault.

Varietals: 55% Mourvedre, 25% Grenache, 20% Cinsault
