

MERRY EDWARDS

At home in the Russian River Valley since 1977, Merry Edwards has explored its hills, pockets, slopes and hollows, discovering small sites where choosing the right rootstock, clone and farming techniques can produce exceptional grapes. This led her in 1996 to purchase land in the Sebastopol Hills region of Russian River Valley. Today, winemaker Heidi von der Mehden succeeds Merry's winemaking journey, becoming the only other person to hold that position at Merry Edwards Winery other than Merry herself.

FLAX VINEYARD PINOT NOIR 2018

The wine displays beautiful red garnet and purple hues. Layers of vanilla, jasmine, cherry cola and bright blood orange fill the nose. Ripe and concentrated, the mouth has luscious and focused tannins that are layered with cherries, smoky oak notes and a perfect core of acidity to hold the structure throughout a long finish. The aging potential for this wine is unmistakable.
