MAISON FONDÉE EN 1776  
**LOUIS ROEDERER**  
CHAMPAGNE

## COLLECTION 245

Notes of citron blossom, lemon tart, and lime leaves slowly emerge from the glass, leading to hints of raising bread dough, fresh ginger, and sea spray, with a touch of coriander seed. The light-bodied, very dry, beautifully poised palate is elegantly crafted with intense citrus and mineral layers and a lively yet well-knit backbone, finishing long and chalky. I love the restraint here—unmistakably Roederer.
