CASTIGLION DEL BOSCO

BRUNELLO DI MONTALCINO

2020

Displays textures of pure silk and a core of ripe wild berries complicated by flinty mineral tones, rosemary and hints of blood orange, all guided by brilliant acidity. The 2020 finishes with dramatic length and classical structure, leaving a spicy sensation and lingering nuances of red plum. Castiglion del Bosco has captured a remarkable depth and concentration here that's atypical of the vintage.
