# Napanook

2021

The 2021 Napanook is one heck of a Napanook, offering complex notes of currants, cassis, graphite, leafy tobacco, lead pencil, and chocolate. Incredible on the palate, it's full-bodied and round, with supple, vibrant, incredible tannins. This is easily the finest vintage I've tasted of this cuvée and it's the equivalent of many a Grand Vin from other producers.
