LOUDENNE

2015 MÉDOC

Jancis Robinson

16/20

As all the best Grands Crus from the Médoc area, the Loudenne vineyard is benefiting from an exceptional terroir: 2 gravely hills that slope gently down to the banks of the Gironde estuary, reflecting the sun rays, reducing the risk of frost and helping the grapes to ripen.

The nose reveals notes of red fruits, red peppers and blackberries with a hint of blackcurrant as well as a fine touch of violet, chocolate and wood. The mouth is fruity, well-balanced, with freshness and body. The tannins are fine and the wine is of good length.
