Domains Ott Éttoile Provence Rosé 2021. Domains Ott

Domaines Ott Étoile is an elegant and complex rosé that varies greatly between each vintage. Made from a blend of grenache and mourvèdre, the 2021 vintage has a pink mother-of-pearl coloring that catches the eye in its unique, curved bottle. The nose reveals white peach and plum aromas with a touch of pink grapefruit, while the palate dominates with an intensely juicy texture and a smooth, zesty freshness. While you'll certainly be tempted to pop the cork immediately, this is a rosé that can also be aged and saved for more special occasions.
